WHEREAS at the Committee of the Whole Meeting on Monday December 7, 2020, Council considered a delegation from Jack Gibbons, Chair, Ontario Clean Air Alliance and received a memo from the Cobourg Sustainability and Climate Change Advisory Committee regarding the support for Clean Air Alliance request;

NOW THEREFORE BE IT RESOLVED THAT Council endorse the recommendation from the Sustainability and Climate Change Advisory Committee to approve the following resolution:

FURTHER THAT the Town of Cobourg requests the Government of Ontario to place an interim cap of 2.5 megatonnes per year on the greenhouse gas pollution from Ontario's gas-fired power plants and develop and implement a plan to phase-out all gas-fired electricity generation by 2030 to help Ontario meet their climate targets; and

FURTHER THAT this resolution be sent to the Premier of Ontario, the Minister of Energy, Northern Development and Mines, the Minister of the Environment, Conservation and Parks, all local MPPs and the Association of Municipalities of Ontario.
