WHEREAS at the Regular Council Meeting on July 26th 2021, Council approved Resolution 305-21 accepting the Town of Cobourg Water Master Plan prepared by Lakefront Utility Services Inc. that forecasts future spending over the next 5-15 years, and one such projected include the construction of a new Water Tower to improve and make drinking water more reliable, addresses an urgent public health and safety issue, reduces the probability of system failure, reduces life cycle costs and is a key performance indicator in the Cobourg Asset Management Plan;

NOW THEREFORE BE IT RESOLVED THAT Council approve the 2021 Green Stream Funding Application for the Cobourg Zone 1 Elevated Tank Replacement Project to be submitted by Town of Cobourg Waterworks to the Ministry of Infrastructure on or before September 9th, 2021.
