## **CREATIVE CAMP** July 24-28

This is a great week to get those creative minds racing! Different types of 'creative arts' will be explored, such as drawing, colouring, dance, movement, music - whatever you're into, let's try it together! We've invited some different artists to join us and teach this week—you don't wanna miss that!

## **PICKLEBALL CAMP** July 24-28 [9-11am only]

## **MESSY CAMP** August 14-18

Let's get MESSY! This is the one time you are encouraged to get as messy as possible! You never know what we'll get into! Some great new ways to get messy have been added to the list, but don't worry, our always popular 'Paint Twister', food fights, spaghetti slip and slide, messy balloon toss will all still be on the agenda during this week!

## **HOCKEY DEVELOPMENT CAMP** August 21-25

Our tried and true, Hockey Development Camp encourages kids 4-12 who are just starting to play hockey, or who have been playing hockey for a few years, to come out and work on their skills in a safe and fun environment! Our Instructors will keep kids working on basic hockey skills, such as stick handling, shooting, passing, as well as lots of powerskating technique and speed! A great chance to work on developing skills for the upcoming hockey season! Kids have the option to just skate with us and go home, or they can join the rest of our 'Crazy Campers' for the remainder of the day (Additional costs apply).
