

## **EXPRESSION OF INTEREST KEYS TO OUR TOWN (DEADLINE FOR SUBMISSIONS FRIDAY, APRIL 13, 2018)**

### **BACKGROUND**

Street Pianos Cobourg (Keys to our Town) debuted in five locations throughout Cobourg in 2013 and two in 2014 and three in 2015, 2016 & 2017. Each summer donated pianos were painted by local artists and displayed in various locations throughout the downtown and waterfront and any passerby was encouraged to play. The concept was based on the “Play Me, I’m Yours” project by artist Luke Jerram, originating in Sheffield, England. In 2013 an overwhelming 40 charitable donation offers of pianos were received and continue to be offered. Once the artists completed their work they were secured to their chosen location as a public art project aimed at providing a free avenue for individuals to express their musical talents in a public setting. Over 10,000 people played the ivories over the last three summers. 2014’s piano “Foxgang Amadeaus” in Victoria Park received international attention when a video of a pianist playing the piano was posted on you tube and hit 1 million views.

### **ELIGIBILITY**

This project is open to artists, individuals and designers within Northumberland County. There are THREE PIANOS for the summer of 2018.
