

THIS IS COBOURG

Fire Department

Mutual Aid Partnerships

We provide mutual aid to our fellow emergency responders within Northumberland County.

Call Response

Over the last five years our department has responded to an average of

1,240
calls/year.

Additional Staff

We have hired four additional volunteer firefighters bringing our total team count to **35**.

Training Activities

Our firefighters have participated in **233** training activities including driver training, water rescue and search and rescue.

Provincial Project

km
472.0

Spearheaded Highway 401 distance markers project with the Ontario Association of Fire Chiefs resulting in improved emergency response times.

Fire Prevention

We have conducted **518** fire prevention activities including inspections, consultations and public education campaigns.

Each month we will be celebrating our successes and we want to thank you for helping us get there!
