

# TRANSIT RIDERS

*Face Masks are Strongly Recommended*

It is now **strongly recommended** that you wear a **mask or face covering** while riding the bus.

This protects the **health and safety** of our drivers and passengers while reducing the likelihood of someone **unknowingly spreading the virus**.

Those **exempt** to this policy, may include:

- Children under the age of two years.
- Children under the age of 5 years (either chronologically or developmentally) who refuse to wear a face covering and cannot be persuaded to do so by their caregiver.
- Any person unable to remove a mask without assistance.
- **For any medical reason:** a person who cannot safely wear a non-medical mask or face covering such as, but not limited to, respiratory disease, cognitive difficulties or difficulties in hearing or processing information.
- **For any religious reason:** a person cannot wear a non-medical mask or face covering or cannot cover the face in a manner that would properly control the source.

**Thank you for your cooperation.**
