Elections

Reduced spending from **\$86K** to **\$53K** and increased accessibility when we moved from traditional voting to electronic and telephone voting.

New Project

A booklet on Town bylaws was created and over **1,000** copies distributed.

Bylaw Enforcement

Built a one-stop shop by hiring a Bylaw Enforcement / Policy Coordinator creating an easier customer experience.

Personal Service

You can still reach a 'live' person and not an automated phone system when you call us!

Wedding Ceremonies

The Town has three Marriage Officers who have performed over **350** ceremonies since 2007.

Each month we will be celebrating our successes and we want to thank you for helping us get there!
