Council Date:

July 22, 2019

**WHEREAS** at the Committee of the Whole on July 22, 2019, Council considered a delegation from Jeremy Fowlie, Cobourg Dragon Boat and Canoe Club (CDBCC), for information purposes;

**THEREFORE BE IT RESOLVED THAT** Council authorize the CDBCC to move the mast racks from the small compound to the Cobourg Yacht Club (CYC) compound where they can be utilized by the CYC (pending written agreement from the CYC); and

**FURTHER THAT** Council authorize the CDBCC to use the small compound exclusively year-round and that Council endorse the club's current activities and programs from that location; and

**FURTHER THAT** Council instruct staff to formalize the CDBCC's current daily operations by drafting a memorandum of understanding (MOU) that includes:

- Extending the lease of the small compound from the current 6-months to 12-months per year, with the additional 6-months charged at the current rate;
- A description of the infrastructure permitted within the small compound to support the CDBCC's activities and programs, including boat racks, electricity, storage and light shelter;
- Access to parking and the marina building for washrooms and use during inclement weather;
- Basic health and safety requirements; and

**FURTHER THAT** a member of Council be present during discussions between the CDBCC and Town representatives when drafting any terms and conditions for the CDBCC compound and programs; and

**FURTHER THAT** current CDBCC programs and activities are permitted to continue while the MOU is being drafted; and

**FURTHER THAT** the draft MOU be presented to Council for final approval by September 23, 2019.
