

## Tissue Paper Flowers

Make your mom or someone special tissue paper flowers!

Instructions:

1. Stack several layers of tissue paper in front of you.
2. Accordion fold 1 inch sections of the tissue paper until the whole length is folded.
3. Staple the middle of it, be sure the staple goes through all the layers of the tissue paper.
4. Use scissors to shape both ends of the tissue paper. You can round the ends or make them pointy, like a triangle.
5. Fan out the folds and begin separating each layer. Fluff and shape the flower until it looks pretty.
6. You can tie string to them and hang up or twist a pipe cleaner to the middle and put it in a vase.
7. Smile at your creation.
