- Yes
- No

**Location of trailer (if applicable) If you're using your home cradles, they must be in the compound no later than Friday, September 20th.**

### Pressure Wash Hull

In order to comply with environmental regulations, all boats need to be pressure washed on lift out unless otherwise agreed – charges apply. Fill out below.

**If you do not wish for your hull to be pressure washed please provide instructions in the following box:**

# Masts Stepping

Mast stepping is coordinated by CYC. CYC will contract a crane service, complete with signalman, and provide insurance coverage the contracted crane service and CYC. Participants will be responsible for sling handling, mast handling, traffic controls. Designated CYC volunteers will be on site to coordinate the hoisting operations. The group shall also be collectively responsible for transportation of mast from and to the mast storage compound if required. The Town will make available a short term mast storage and crane set up area from which mast stepping operations will be conducted. Instructions Form on <https://cobourgyachtclub.ca/>

**Tick all that apply \***

- Unstep mast
- Do you require staff to move your cradle to the east pier?
- Do you require the mobile mast crane?
- There is no mast
- Are you leaving your mast up?
- Leave mast in situ (long / fin / lifting keel must have cradle / beaching / legs)
- Owner to disconnect mast electrics

# Important Instructions for Customers

- Please ensure that boat name is clearly visible on hull or cradle/trailer
- Please check you have valid insurance cover afloat/ashore and send a copy to [cobourgmарina@cobourg.ca](mailto:cobourgmарina@cobourg.ca)

## Safety & the Environment Whilst Boats are Ashore

Please note the following safety & environmental requirements:

- Do not move chocks, wedges or shores from boats, run engines or adjust cradle arms – Please contact Reception for assistance if this is necessary.
- No sandblasting of boats, use of chemical strippers, welding, spraying without written permission from the Marina Management.
- If ladders are required to access boats, Customers must supply their own as Cobourg Marina cannot supply or loan ladders, tools or equipment. Please ensure any ladders used are secured to the boat.
- It is recommended that furling headsails, mainsails, sprayhoods & dodgers are removed or must be fully secured before storage. Any boat covers must not be tied to cradle legs or shores.
- 'Going aloft' is not permitted on any boat ashore unless by approved contractor.

For further safety and other site information, please see our Site Regulations or our Useful Information & Guidelines, please contact any member of staff for assistance.

## Disposal of Hazardous Materials

For environmental and safety reasons, please use the disposal facilities provided for waste oil, batteries and other hazardous materials. Any antifouling scrapings must be contained and bagged - this is also hazardous waste and must not be disposed of in general waste bins. We offer free disposal, please contact Reception for details.

## Review Rate Charges

All vessels subject to overall length for slip footage & assignment. Prices are subject to HST. For more information visit <https://www.cobourg.ca/marina>

### **Rate Review Confirmation \***

Signature of individual completing form \*

Date \*

## Payment

Payment may be completed online, over the phone (905-372-2397) or at the Cobourg Marina office (103 Third Street), via, credit card, cash, or debit.

**Please note: Your Haul Out date will not be confirmed until payment has been received and your account balance is 0.**

## Waiver

In order to help facilitate lifting in of your boat we strongly urge you to visit the Cobourg Yacht Club website, [www.cobourgyachtclub.ca](http://www.cobourgyachtclub.ca). Go to the pulldown menu entitled "Information" on the homepage. Click on the word "Information" and select and read "Preparing for Lift-In and Lift-Out", "Lift Procedures" and "Mast Procedures".

The following is a waiver which must be signed and submitted to the Marina office prior to lift in.

### Waiver

I am aware and accept that the intent and understanding of the lift-in (lift-out) and mast stepping operations is that both are self-help activities where CYC members and Non-CYC members are lifting his or her boats with assistance of contracted equipment and CYC member volunteers. Any damage to an owner's boat resulting from these operations is the boat owner's responsibility. Neither CYC nor the Town of Cobourg will be liable for any such damage, which should be covered under the boat owner's insurance policy.

Further, if I do not de-mast for the purpose of lift, haulage and storage, I additionally agree to indemnify the CYC, Harbour West Marine Transport and the Town of Cobourg against liability for any damage as a result of leaving my mast in place.
