CLASS DESCRIPTIONS – DROP IN

BOOT CAMP

Challenge yourself with this fast paced, calorie burning workout that will take your fitness to the next level. Class format changes every class to keep things interesting. Modifications are always offered for the beginner to the advanced!

FIT HAPPENS

Build muscle, burn calories, lose fat! An effective total body muscle conditioning workout utilizing a variety of equipment and offering lots of modifications. Get fit and have fun while doing it.

CARDIO & CORE

Start the class off with a cardio blasting workout that will boost your metabolism and burn calories. Finish off by challenging the core with functional exercises that will enhance your daily activities. Focus on your core body and strengthen your abs and back.

TOTAL BODY CIRCUIT

This 45 minute class primarily involves moving from one station to another in 45 second intervals. Each interval varies alternating between strength, core and conditioning. Strength work can include bands, mat exercises, body weight exercise, kettlebell exercises and more. Cardio work can include elements of endurance training, steps, body weight exercise, and more. This class is designed for all fitness levels. Come ready to sweat, work hard, and have fun!
