

Winter Wreath Bird Feeder

Supplies

- Wreath form
- Small bowl/basket or pie plate
- Decorations (could include garland, burlap, grapevine, decorative flowers, etc.)
- Hot glue gun
- Bird seed

Instructions

1. Make sure small bowl/ basket or pie plate fits inside middle of wreath form.
2. Decorate wreath form. Use glue gun to adhere decorative flowers and hold material in place.
3. Insert small bowl/ basket or pie plate in the middle of the wreath. (If you use garland you can form it around to help hold in place- can also use glue gun)
4. Add birdseed to middle of wreath.
5. Put outside and watch birds enjoy!
