Curbside Holds Pick-up

Please observe social distancing measures while picking up your items!

Keep reading and watching during lockdown

STEP 1:

Have you received a phone call or email from us letting you know your items are ready for pick-up? If not, please do not line up yet - your items are not yet ready.

STEP 2:

Please wait on a marked spot until you're called up. When you are called, please sanitize your hands, and wait on the indicated space.

STEP 3:

Give the staff person at the desk your first and last name - we will retrieve the bag containing the holds that are ready for you!

STEP 4:

Your holds bag will be placed on the table. Please give the staff person a moment to step back to a 6ft distance before stepping up and taking your bag.

Enjoy your items! A receipt with return due dates will be included in your bag. You may return the items anytime through our drop box. Please recycle the bag. Thank you!
