

Shark Bookmark Corners

A Jawsome bookmark for your next read!

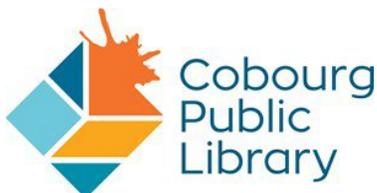

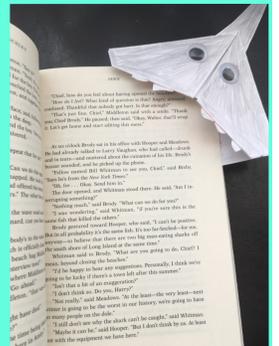

1) Visit this website for step by step instructions to create your corner bookmark!

<https://www.youtube.com/watch?v=BEwI0fvqo18>

Personalize your shark!

- 1) Flip your bookmark to the folded side, to make your shark bite the corner of your book
- 2) Cut a triangle out of red paper, or draw a triangle shape for the mouth and colour it red under the folded line
- 3) Colour your shark grey
- 4) Add googly eyes or draw eyes near the top of your bookmark
- 5) Cut out a thin long triangle for the fin, colour it grey
- 6) Cut out 6 small triangles out of white paper for the teeth, glue them on the underside of the fold
- 7) Choose your next read, and hook your bookmark to the corner of the page!
