# FITNESS PROGRAMS

**ACTIVE BODIES** The focus of this class is resistance training, along with some balance training. The goal is proper technique and increased body awareness, so your activities of daily living are more enjoyable. Mats and weights help achieve this goal.

**BODY TONE** Workout to the tunes of the 60's, 70's and 80's in this fun and interactive class which includes weights for muscle conditioning and low impact cardio to gradually increase your heart rate. Stretching and balancing exercises finish off the class.

**CARDIO COMBO** Take your cardio to the next level with optional high intensity cardiovascular segments interspersed with aerobic recovery periods. This class is best suited for the active adult who wants a fun and energizing workout!

**CARDIO MIX** This easy-to-follow cardio class improves cardiovascular endurance and balance while moving around the gym and having fun. Weights build muscle strength and stretching improves flexibility.

**FUN & FIT 55+** This class focuses on resistance training to strengthen your body in various movement patterns which will help to make your daily activities more enjoyable. Chairs and dumb bells are used as a tool to accomplish the desired outcome. This class is suitable for anyone wanting to become stronger and more aware of their body.

**LET'S GET PHYSICAL** This is a low impact, choreographed, aerobic style class to get your heart pumping and to have some fun while doing it! Exercise to the beat of the music at your own pace and intensity level. This class is suited for all fitness levels.

**WALKING INTERVALS** This class boasts intervals of cardiovascular activity using the walking track and pairs it with strength training using various forms of equipment for an all in one workout. Alternating between cardio and resistance training is the perfect combination if you are in a time crunch! This class is suitable for all fitness levels.

**CORE AND STRETCH** This is a mat-based class which combines core strengthening exercises with stretching. The first segment of class utilizes your own body weight to strengthen core muscles from your shoulders on down! The last part of class is dedicated to lengthening and relaxing your muscles. This class is suitable for all fitness levels.

**SMART FIT I** A chair based functional fitness class using exercise bands to improve muscle strength, balance and flexibility. Cognition and memory exercises sharpen the brain. Safe for post-rehab, chronic pain, diabetes, arthritis, early Parkinson's, and if you are just starting out or getting back into exercise.

**SMART FIT II** Building on Level I, this standing class incorporates muscle conditioning, balance and motor coordination for advanced functional fitness. Basic, low-impact cardio exercises gradually increase cardiovascular and respiratory strength.

**TAI CHI** This ancient Chinese exercise consists of slow flowing movements, which promote relaxation and improves balance and coordination.

**ZUMBA 55+** Perfect for active older adults who are looking for a modified Zumba class that recreates the original moves you love at a lower-intensity.
