

## NOTICE OF STUDY COMPLETION

### Cobourg East Community Secondary Plan Area Municipal Servicing Class Environmental Assessment

#### Study Background

The Town of Cobourg and the Cobourg East Development Owners Group as co-proponents completed a Municipal Class Environmental Assessment Study to provide wastewater and water servicing infrastructure that will support future development of lands within the Cobourg East Community Secondary Plan Area (Cobourg East). In this regard, the municipal wastewater and water services are being designed to extend and support the full build-out needs of Cobourg East for ongoing and future developments.

The Study was conducted in accordance with the planning and design process for Schedule B projects, as outlined in the Municipal Class Environmental Assessment (EA) process (as amended 2015). The Class EA includes opportunities for public, Indigenous community and stakeholder discussion and feedback.
