### RECOMMENDATION:

THAT the Staff Report and application be received by Council; and,  
THAT the application be referred to the Planning Department for a report.

### 1. STRATEGIC PLAN

N/A

### 2. PUBLIC ENGAGEMENT

The Planning Act R.S.O 1990, c.P. 13, as amended does not prescribe any statutory public notice or engagement requirements for Site Plan Approval (SPA) applications and Amendments, as these particular applications are recognized as being a detailed, technical review of matters relating to site development, including but limited to building layout, access, parking, landscaping, servicing and grading.

However, the Municipality requires that the applicant provide notice by posting a 1 m x 1.8 m sign on the subject lands, in an area visible from the public realm, notifying the public of the submitted SPA application to the Municipality. The sign must include information in regard to the proposal, and a contact number for the Town of Cobourg Planning Department, where plans can be made available for the public to view. The sign is being prepared and will be erected on-site within 10 business days.

Additionally, the Planning Department provides written notice of complete SPA applications to Council, and all SPA Applications are considered by Council in open session prior to final approval. Finally, information relating to the SPA application is posted on the municipal website under the Planning Applications page (Planning & Development).

### 3. PURPOSE

The purpose of this report is to advise Council and public of submission of a complete Site Plan Approval (SPA) application, and to recommend that Council receive the formal application and refer it to the Planning Department for a report.

Section 41(2)(4) of the *Planning Act* authorizes the municipality to review and ensure appropriate development is approved in compliance with the Town of Cobourg's Official Plan or applicable Secondary Plans, Zoning By-law and applicable guidelines and standards. Pursuant to the provisions of the *Planning Act*, if the Municipality fails to approve the complete application within 30 days after its receipt by Council, the owner may appeal the application to the Ontario Land Tribunal (OLT).
