

Winter Festivities & Holiday Fun

On behalf of Municipal Council and Town staff we would like to wish everyone in our community a safe and happy holiday season. This holiday season is going to look very different for all of us as COVID-19 has impacted our lives in many ways. As we approach the joys of the holiday season we encourage you to continue the fight against COVID-19, wear your mask, practice physical distancing and enjoy the holidays with your immediate household. Victoria Park and Rotary Harbourfront Park continue to dazzle with the glow of our Christmas Magic lights. Take a stroll, shop locally and be well.

Here's what our Community Services Division has prepared for you for the holiday season:

A Message from Mayor John Henderson

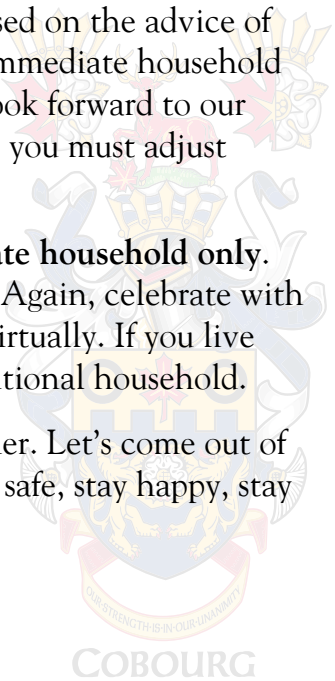

As we end a rather stressful year due to COVID-19 I want to take the time to wish you all a very safe, and a very happy holiday season. My holiday plans look drastically different this year as opposed to last years, but what remains is the joy in my heart and the love for my family and the season.

If you take away anything from this editorial please celebrate safely this year to protect not only your loved ones but your community. We've been given advice from the Ontario government, based on the advice of the Chief Medical Officer of Health to stick to our immediate household this year. I realize that there are so many of us that look forward to our traditional family celebrations but, to keep us all safe you must adjust those traditions.

I am asking everyone to celebrate with your **immediate household only**. **Avoid big holiday parties and large family dinners**. Again, celebrate with the people you live with and include everyone else virtually. If you live alone, consider exclusively celebrating with one additional household.

We are **#CobourgStrong** and we are all in this together. Let's come out of 2020 with a resolution to stop this deadly virus. Stay safe, stay happy, stay the course.

A Letter from Deputy Mayor Suzanne Séguin

For many residents the Town of Cobourg municipal budget process does not generate a lot of interest. However, during 2020, the year most of us would like to forget, we are hard at work crunching numbers and preparing the 2021 Operating and Capital Budgets.

We know that this has been a tough year for many of you. Keeping that in mind, the target levy for 2021 is 0% to 1% over the 2020 municipal levy that was \$24.6 million. Approximately two-thirds of the Town's operating costs are for services that are mandatory or essential in nature. A recent Service Delivery Review outlined areas where the Town can find efficiencies, save money, build reserves and minimize debt.

Parks and Recreation

There are many factors when planning Budgets including:

- Actual spending for 2020
- New projects that require financing
- Potential new staffing requirements
- New equipment like trucks, computers, tools, etc.

Until December 14, residents can log on to [Engage Cobourg](http://EngageCobourg) to complete the Town of Cobourg 2021 Financial Framework Survey that helps your Municipal Council and Staff to identify areas of focus for the Town's current and long-term financial priorities.

Share your input on the 2021 Budget.

We want to hear from you.

All feedback and ideas shared through [Engage Cobourg](http://EngageCobourg) will be included in a report to Council.

Did you know?

Sustainable Cobourg began in 2008 and is 100% comprised of volunteer members.

Sustainable Cobourg

What is Sustainability?

Sustainability is a state where the **demands placed on our planet by people and commerce** do not compromise or infringe on the earth's capacity to provide for future generations.

What is Sustainable Cobourg?

Sustainable Cobourg is a volunteer-based, not-for-profit, non-governmental organization that focuses on initiatives, actions, education, research and partnerships which advance sustainable practices to enhance and protect the environmental, economic and social health of local residents and our future climate.

By organizing and participating in local programs related to urban planning, energy conservation, renewable energy, water quality, waste reduction, climate change, farmland protection, transportation and the local economy, **Sustainable Cobourg** endeavours to advance the principles and benefits of sustainability.

Some of **Sustainable Cobourg's** activities include:

- Delegations to Municipal and County Council.
- Serve on Council Advisory Committees.
- Work with local schools.
- Help develop Cobourg's Master Transportation Plan.
- Provide education workshops to Town staff, Councillors and their members and subscribers.
- Research with Trent University on effective waste diversion policies in schools.
- Participate in Provincial conferences and programs.
- Host *All Candidate Forums* for community participation.

Green Tips

Pick up trash.

- Bring small bags when you go for a walk.
- Pick up trash along the way.
- Sort the recyclable items.

Save animals from harm and reduce trash from entering our streams and waterways.

Meet Gigi

Gudrun "Gigi" Ludorf-Weaver is the President / Chair of the Town Hall Committee for Sustainable Cobourg. Having been involved in establishing a community organization in Toronto called "Urban Harvest", Gigi witnessed first-hand the power of community. With that experience, she felt she could contribute to the newly formed **Sustainable Cobourg** in 2008. This was a wonderful group of enthusiastic Cobourgians who wanted to play an active role in helping to shape Cobourg as a sustainable community.

The Vision

Cobourg and its neighbours as sustainable communities where the values of environmental stewardship, social responsibility and economic resilience are reflected in all aspects of community life.

Partnering for a Greener Future

The Town of Cobourg shares the vision of **Sustainable Cobourg** and has partnered with the organization to help educate residents on sustainability and share tips on how your family can make healthier choices for each other, our community and our planet. Small changes can bring huge benefits to our future.

Help us create a greener Cobourg, together.

Visit www.sustainablecobourg.ca to learn more about how you can get involved with **Sustainable Cobourg**.

Why can't the snowplow truck driver lift the blade at my driveway? — *Resident via phone call*

The snowplow equipment is not designed to be lifted during plowing. During the plowing process the blade must remain on the ground in order to clear the roadways effectively. Additionally, lifting the plow during operation would cause hazardous driving conditions.

GETTING TO KNOW US

Jackie Chapman-Davis

Community Events Coordinator,
Town of Cobourg

Q: How long have you worked for the Town of Cobourg?

A: I have been with the Town of Cobourg for 3.5 years now.

Q: What is the best part of your job?

A: Supporting and working with members of our community and local organizations to plan and execute events. All the hardwork is worth it when I see the smiling faces of families and children in absolute awe of our displays and activities.

Q: What does your typical day involve?

A: Currently, I am working on bringing the magic of Christmas to Cobourg. I develop the lighting display and assist with the decorating of Rotary Harbourfront Park, Victoria Park and the Downtown area with an amazing group of staff and volunteers.

Q: What inspired you to become an event planner?

A: After moving to Ottawa for school, I fell in love with bringing people's events and ideas to life while working at the Fairmont.

Q: What are some fun facts about you?

A: I grew up in Colborne and moved to Ottawa for 25 years, and have made my way back! My husband Geoff and I have three children, who we raising in the same house I grew up in.

Holidays and Celebrations in December

Whether faith-based or cultural, holidays and celebrations are a window into what a person values. This means when it comes time to celebrate, we all have a different approach to the holiday season. With the snowy season upon us, it's a good time to reflect with friends and family and build understanding and awareness of the traditions and beliefs of others while we stay safe indoors.

During this time of year, many Christians celebrate the birth of Jesus at Christmas, with Orthodox Christians celebrating a week later. Those of the Jewish faith celebrate that rededication of the Second Temple in Jerusalem that allowed the Jewish faith to be rebuilt when lighting the menorah during Hanukkah. African-Americans celebrate the gift of life in December leading up to the New Year through their Kwanzaa celebrations.

DEC 10 Beginning of Hanukkah

DEC 24 Christmas Eve

DEC 25 Christmas Day

DEC 26 Beginning of Kwanzaa

These celebrations take place throughout December but each has the same goal: to bring together a community to celebrate family, friends, and connections as the year draws to a close. **However you choose to celebrate this year, stay safe Cobourg!**
