Town of Cobourg Announces Launch of Cobourg Rides On-Demand Transit System

On April 19, 2021, the Town of Cobourg will be soft launching "**Cobourg Rides**", a town-wide, demand-based, public transit service available to all residents and visitors on a trial basis.

The benefits of on-demand transit include:

- ✔ Easy online booking through the 'Pick-Up On-Demand' App.
- ✔ Reliable on-demand transportation.
- ✔ Real-time vehicle tracking.
- ✔ Cashless payment system.

The **Cobourg Rides** On-Demand Transit Trial will be launched in two distinct phases. During the first phase (April 19th to June 13th) Conventional Transit will continue to operate Monday to Friday from 6:15 a.m. to 5 p.m. The second phase will begin on June 14th with all services (WHEELS and Conventional Transit) switching to the on-demand service.

You will be able to book a ride by:

- 📱 Using the "Pick-Up On-Demand" App
- 💻 Booking Online
- ☎ Calling 905-373-0582

Development News in Cobourg Corner of Burnham Street and DePalma Drive

An application has been submitted by EcoVue Consulting Services Inc. for the 1.91 hectare site at the south-west corner of Burnham Street and DePalma Drive, Cobourg.

The re-zoning would add "medical clinic" to the list of land uses permitted to facilitate the development of the property for a medical clinic building and related health services.
