COVID-19 Vaccinations Now Available for Child Care Workers and Pregnant Women

The Ontario Government recently announced an expansion to the COVID-19 Vaccination Booking System to include women who are pregnant and licensed child care workers.

In the coming weeks, eligibility will be expanded to include unlicensed child care workers.

Residents are encouraged to schedule an appointment as soon as you are eligible to receive a vaccination. The best vaccine is the first one you can get in your arm.

YOU CAN

Get exercise by going for a walk, run or bike ride on multi-use trails and roads.

Play on play structures, swings, slides or any park equipment.

Use the off-leash dog park or beach for exercise purposes.

Shop local businesses with online curbside pick-up or contactless delivery.

Only go out for essentials such as work, exercise and health services.

YOU CANNOT

Host or attend indoor private gatherings with other households.

Gather outdoors with anyone who does not live in your household.

Participate in organized or league sports or competitions.

Leave home if you are self-isolating, have symptoms or waiting for test results.

Failure to adhere to these guidelines may result in tickets and/or fines.

What is considered 'essential' construction?

Provincewide Shutdown + Stay-At-Home Order

cobourg.ca/covid19

On April 16, 2021, the Government of Ontario announced additional safety measures, including the closure of all non-essential workplaces in the construction sector, to help reduce the spread of COVID-19 and variants in communities across the province.

As per O.Reg 82/20 s. 43, the Town of Cobourg has outlined what construction projects are allowed to remain open during the Provincewide Shutdown and Stay-at-Home Order on our COVID-19 webpage.

For any additional questions or concerns, please contact the Town of Cobourg's Building and Planning Department at 905-372-1005.
