

Snow Reminders

Help keep our roads and sidewalks safe

From November 1 to March 31, 2023, there is no parking, at any time, on all cul-de-sacs and wide corners. The bylaw also states motor vehicles are not to obstruct the removal of snow from the streets, which is applicable to all streets and times.

It is dangerous and a contravention under the Ontario Highway Traffic to push or blow snow from your property back onto the street.

Share Your Thoughts in the Preliminary 2023 Budget Survey

A preliminary budget survey is asking for insight from taxpayers on the programs and services that are most valued, the level of satisfaction in service delivery and the issues they feel are most important for our community at this time.

Results of the preliminary survey will be presented to Council in January, prior to the Divisional Budget Staff Presentation Meetings.
