

## April 16 to 22 is National Volunteer Week

During National Volunteer Week we celebrate our volunteers – the time, talent and energy they share to strengthen the fabric of our community.

Cobourg is fortunate to have so many volunteers who put incredible effort into making Cobourg the welcoming, supportive and vibrant community we all enjoy. We appreciate you!

## 'Keep the County Clean' Challenge

Thank you to the volunteers who have been cleaning up in your neighbourhoods and across Cobourg this week! There is still time to help pitch-in for the 'Keep the County Clean Challenge,' which runs until Earth Day - Saturday, April 22. Register at **Cobourg.ca/cleanup** and pick-up supplies from the Cobourg Community Centre.

## Venture13 Celebrating 5-Year Milestone

Members of the public, business community and service organizations are invited to join Venture13's five-year anniversary celebration on Friday, May 12, 2023. The event will highlight the individual and collaborative accomplishments of the partners and members and showcase the innovative work that businesses within the VentureZone co-working space are doing. Additionally, guests will learn future short-term plans for the facility and what the community can expect from Venture13 in the next five years.

Visit **Venture13.ca** and find the link to RSVP today!

## We're Hiring: Development Review Planner

The Town of Cobourg Planning Department is currently recruiting for a Development Review Planner. (Intermediate Planner or Planner II)

Reporting to the Manager of Development Review, the primary role of the Development Review Planner is to process and review development applications under the Planning Act.
