## Engage Cobourg Launches Waterfront Parking Survey

The Town of Cobourg's Communications Department is pleased to announce the launch of a new project on Engage Cobourg to gather feedback from residents on Waterfront Parking.

The Waterfront Parking community engagement project is intended to gather information from residents regarding the new parking regulations in Cobourg's Waterfront parking areas, implemented in May of 2022. The Town of Cobourg is seeking feedback on the implementation of the new regulations, set rates, signage as well as the potential expansion of the waterfront season pass to non-residents.

The results of the survey will be provided to Cobourg Municipal Council at the February 21, 2023 Committee of the Whole meeting.

Deadline to participate: **February 7, 2023.**
