Winter Parking Reminders

The Town of Cobourg would like to remind all residents that the winter parking bylaw is in effect. When there is heavy snow it is imperative that vehicles are not parked on the streets.

The bylaw states that no person shall park a motor vehicle that obstructs the removal of snow from the streets, which is **applicable to all streets and times.**

If a vehicle is found with windrow of snow around it and no tire tracks leading to/from the parking space, officers may ticket and/or tow.

Residents are advised to review the Winter Parking Bylaw to see how your neighbourhood may be impacted and to follow all on-street signage.
