WHEREAS at the Committee of the Whole Meeting on March 8, 2021 Council considered a memo from the Deputy Director of Community Services, regarding the High Efficiency Heating, Cooling and Dehumidifying System RFP Award at the Marina Building

NOW THEREFORE BE IT RESOLVED THAT THAT Council receive the memo from the Deputy Director of Community Services regarding the CO-21-10 High Efficiency Heating, Cooling and Dehumidifying System RFP results;

AND FURTHER THAT Council award the High Efficiency Heating, Cooling and Dehumidifying System RFP CO-21-10 MAR to Noddle Sheet Metal and Mechanical Ltd. for the installation of a High Efficiency Heating, Cooling and Dehumidifying system including the removal of the existing furnace in an environmentally responsible manner, in the amount of \$79,772.00 plus HST;

AND FURTHER THAT Council authorize the remaining, unbudgeted amount of \$9,772.00 excluding HST to be funded from the Marina Reserve.
