**WHEREAS** at the Committee of the Whole meeting on December 12, 2022, Council considered a memo from the Director, Community Services, and the Assistant Manager, Waterfront Operations, regarding the Microbial Source Tracking – Harbour E. coli Report;

**NOW THEREFORE BE IT RESOLVED THAT** Council direct staff to complete a review of mitigation tactics to reduce E. coli concentrations associated with gull DNA marker, investigate the root causes of human DNA marker found in storm water entering the harbour basin, and propose long-term solutions
