

Welcome to Grant Connect. This computer provides access to [Grant Connect](#), an online database of funding opportunities for charities, nonprofits, and community organizations across Canada. Whether you're searching for grants, foundations, or corporate giving programs, Grant Connect helps users identify and connect with funders that align with their goals.

With Grant Connect, you have access to:

- *Over 11,400 Canadian foundations, 500+ corporate giving programs, 500+ government grant programs, 80+ American foundations, and 250+ other kinds of grant opportunities.*
- *Funder profiles that offer insights on specific grant programs, application preferences, financial summaries, and key decision-makers, and more.*
- *Data on billions of dollars in past donations, categorized by size, cause, population, and region.*
- *Targeted search filters that help you quickly find the right funder for your charity by gift size, deadline, type of support, and more.*

This subscription is generously funded through a local partnership between the **Trent Hills Public Library**, the **Community Foundation of Campbellford/Seymour and Northumberland**, and a memorial fund created in loving memory of **Teresa Castonguay**. Teresa was a dedicated supporter of community development who worked tirelessly with local organizations to help them secure funding and resources. Her legacy continues through this resource, empowering others to pursue meaningful projects in our region.
